Welcome to the

RCSLT CEN Reception

Monday, 3rd December 2018
Aims and objectives:

• Learn more about the offer for CENs, including CPD resources and opportunities in ehealth
• How to get the most out of the new CPD diary
• Hear about how CENs are using social media and digital tools
• Hear about the RCSLT’s support for CENs
• Have a chance to network with colleagues from other CENs
Harnessing technology for professional development and for your practice

Welcome

This website is the online learning / CPD system for the Royal College of Speech and Language Therapists. You may have arrived here from clicking a link on the main website, or have been given access to a course by an admin user. There are courses for non-members too, although you will get more benefits from being a member.

Use the links on this page to see what is available to you. If you do not yet have an account you can sign up to...
Member courses

- An introduction to evidence-based practice
- eHealth learning journey
- Clinical decision-making tool
- Working with bilingual children
- Research under the spotlight
- The Box learning journey
eHealth learning journey

- Written by SLTs for SLTs!
- To help you to get started with technology in practice.
- www.rcsltcpd.org.uk
What’s inside

Each module typically covers:

- Applications in practice – benefits and challenges
- Using the technology critically
- Legal and professional standards
- Issues in practice and ways to overcome those
- Links to scenarios, activities and points for reflection to relate to your practice
eHealth - Satisfaction

- 75% rated their knowledge of eHealth as ‘Average’ or lower prior to taking the course – rising to over 90% rating their knowledge as ‘Good’ or ‘Excellent’ after the course.

- 85% rated the learning journey overall as ‘Good’ or ‘Excellent’.

(full survey responses are available if desired)
New website

- Guidance for delivering SLT services – includes technology
There’s a whole section on the new website covering technology guidance. It includes scenarios.

Data protection handout
Twitter

- Follow/’lurk’ until you’re comfortable
- When ready why not get involved with:
  - Tweet chats eg #WeAHPs
  - Conference hashtags
- The use of Twitter for CPD within occupational therapy, [Kirstie Hughes](https://www.tandfonline.com/doi/full/10.1080/0309877X.2018.1515900?src=recsys)
Technology guidance, elsewhere

- NHS England Information Governance and Technology resources – just published (acute and England focused – but good principles). Find on this site: https://digital.nhs.uk/

- HCPC guidance on social media: guidance document (2017, but also new version in progress), case studies, podcast: http://www.hpc-uk.org/registrants/socialmediaguidance/
Networks

- Useful networks
  - CITCEN, including CITCEN toolkit: https://toolkit.citcen.org/
Other resources

- Enewsletter
- Learning flyer
