

# Application for Certificate and Membership

RCSLT Membership for qualified graduates from speech and language therapy courses in the UK. Applicants must complete a membership declaration by signing up to the following statements.

Many congratulations on your recent examination success. To become a certified member of the Royal College of Speech and Language Therapists (RCSLT), you will need to have an initial RCST Certificate of Membership. This will show you have completed a programme recognised by the RCSLT. You will also then need to complete the RCSLT framework for newly qualified practitioners. The framework supports learning and development in your first year of practice, and provides evidence of your readiness to transfer to certified membership. Please look for newly qualified practitioners in the member's section of the RCSLT website for more details. Please do not forget that in order to work as a speech and language therapist in any sector you will need to apply for registration to the Health and Care Professions Council.
