

Higher Education Institutions (HEI) List 2021

Universities offering accredited speech and language therapy programmes

The following is a list of universities who have had their speech and language therapy programmes approved by the Health and Care Professions Council (the HCPC) and accredited by the Royal College of Speech and Language Therapists (the RCSLT).

Further information on the accreditation requirements for universities delivering speech and language therapy programmes is available on the RCSLT website under [Information for Education Providers](#) in the [Lifelong Learning](#) section.

Any queries relating to the admissions requirements should be directed to the university, but general queries regarding these programmes can be sent to info@rcslt.org.
