

'Owning outcomes: outcome measurement to deliver quality services'

 Friday 24th June 2022 : 09:30 – 12:15

Virtual event via Zoom

Programme *(Subject to change)*

From watching the pre-recorded videos and attending the event, delegates will :

- Understand the context in which the RCSLT outcomes programme fits
 - National policy
 - RCSLT vision
 - Local service delivery
- Understand what tools and resources have been developed by the RCSLT to support with measuring outcomes
- Have an opportunity to hear about practical examples of how these tools and resources have been used
- Share learning and identify solutions to challenges in implementing outcome measures in a clinical setting
