Implementing outcome measures and getting 'buy in'

The Key to buy in

Understanding Outcome Based Commissioning (OBC) is a strong reality adopted by many LA and CCGs

Commitment and dedication to TOMs

Identifying key people, key agendas and being “at the table”

Persistent and consistent message to consider “TOMs” as a KPI

Implementing outcome measures and getting ‘buy in’

children**

**Using Strategic Outcomes in
Therapy Services**

16th March 2021, 1-4pm

The banner features several line-art illustrations: a child on a bicycle, a child in a wheelchair, a therapist kneeling to assist a child, and two children playing with a ball. A small dog is also depicted near the therapist.
