

## Programme

From watching the pre-recorded videos and attending the event, delegates will:

- Understand the context in which the RCSLT outcomes programme fits
  - National policy
  - RCSLT vision
  - Local service delivery
- Understand what tools and resources have been developed by the RCSLT to support with measuring outcomes
- Have an opportunity to:
  - hear about practical examples of how these tools and resources have been used
  - share learning and identify solutions to challenges in implementing outcome measures in a clinical setting
