

June 2020 Awareness Events

There are a number of awareness events during June that are relevant to people with communication and swallowing needs. These are resources that the RCSLT has for each of the events if you wanted to promote the role of speech and language therapy in these areas.

If you know of other June awareness events, please let us know on info@rcslt.org.

Aphasia Awareness Month

@RCSLT resources:

- RCSLT clinical resources:
